# MOUNTED DRILL TEAM CLINIC

Have you ever been thrilled by the excitement of a mounted drill team? Please come join us for a unique opportunity and in-depth look at the entire subject of drill teams. Elizabeth Dabney is a two-time National Champion Drill Team Coach who founded [Diamond D Cowgirls](#) and also has several amateur teams of varying levels at her farm in Covington GA.

Whether you are a professional looking to add a different element to your program, or a pleasure rider who just wants something new to do with your horse, you will enjoy this opportunity of having a professional who has "been there and done that". This will be a full day of covering the fundamentals of safely introducing new horses and riders into a drill environment, the basics of building block maneuvers, safe flag carriage, costumes, music selection and performing at events.

There is space for 12 riders and unlimited auditors. Please call the barn at (863) 452-0006 for a ticket now. Lunch will be available on site.

Riders: \$100

Auditors: \$25
